

Welcome to Third Vision Background Searches & Consulting

Our Systems: Third Vision Background Searches utilizes a state-of-the art, Web-based client interface system that is available for access 24 hours a day, 7 days a week. This Web portal allows each user uninterrupted access to submit requests, check status, and receive results all from the convenience of your computer desktop. Innovative technology provides direct, instantaneous access to many searches along with an array of tools and features all designed to streamline the pre-employment screening process.

Setup: Third Vision Background Searches has no binding contracts or monthly minimums. When you are ready to go, we have a simple client setup form and a general terms of service document for you to complete. You will then be issued a credential for our secure, client-only web portal. We will provide all the necessary forms needed to administer your screening program to include sample FCRA notices and applicant authorizations forms. We will also provide any system training as needed at no additional cost to make sure you are familiar with your new service.

Applicant Tracking System: The ATS is a completely customizable add-on solution that will provide the following:

- Online, paperless collection of background check release documents
- Seamless, automated ordering of background checks
- No per-transactions fees
- One time set up fee
