

## Welcome to Third Vision Background Searches

**Our System:** Third Vision Background Searches utilizes a state-of-the art, Web-based client interface system that is available for access 24 hours a day, 7 days a week. This Web portal allows each user uninterrupted access to submit requests, check status, and receive results all from the convenience of your computer desktop or phone. Innovative technology provides direct, instantaneous access to many searches along with an array of tools and features all designed to streamline the pre-employment screening process.

**Start-up:** Third Vision Background Searches has no binding contracts or monthly minimums. When you are ready to go, we have a simple online client application for you to complete and register. Once accepted, you will then be issued your credential for our secure, client-only web portal. We will provide all the necessary forms needed to administer your screening program to include sample FCRA notices and applicant authorizations forms. We will also provide you with a quick start guide, user manual and any personal training needed at no additional cost to make sure you are familiar with your new service.
